72 Oil-Paintings Displayed At Bank

FCD Warns

Shortage

LOST IN THOUGHT — Mrs. R. D. Humphries seems lost in thought as she admires the works of area artists on display in the Florida First National Bank lobby.

Mrs. Henry O. Earwood, art teacher under the adult veterans program sponsored by the county, is now showing the paintings by her 36 pupils to the general public in a display at the Florida First National Bank of Belle Glade.

The 75 oil paintings were shown Saturday in a county-wide exhibit at Palm Beach Plaza in West Palm Beach for the annual showing there in the Plaza's mall.

This is a personal interest class, said Mrs. Earwood, an art teacher for 38 years, and "I teach my pupils whatever they want to learn." Here the student can express his individual feelings and tastes on canvas, said Mrs. Earwood.

"A lot of my students paint from slides or photos, but they never copy," said Mrs. Earwood, "and if anyone is interested in buying one of the paintings on display I will be happy to get them in touch with the artist."

The group meets each Monday from September through April and has just finished this term.

Part of the many beautiful paintings are shown here, less the color of the paints. You must see the display to appreciate the work involved.

With the driest two months of the year ahead of us, and surface water dangerously low in some areas of the Central and Southern Florida Food Control District, a warning was issued Monday by Robert W. Padrick, chairman of the FCD, urging all possible efforts to save fresh water.

During the past month, continuing dry weather, with little or no rainfall over the 18-county area, is accelerating the decline in water level, said Padrick.

He pointed out that the level of Lake Okechobee — the chief reservoir of the District — declined from 13.09 feet (above mean sea level) on March 12 to 12.56 feet on April 4th. Even if rainfall in the District between now and June, Padrick predicted that the lake level will drop to 12.04 feet — or three feet below its minimum desired stage.

One year ago at this time the big lake was only 6.10 of a foot below schedule, but a serious drought developed later in the spring.

Farmers are urged to use absolute minimum amounts of water where they feed it is essential to flood fields for no-matode control. Homeowners should exercise great care in use of water for lawns. All drainage districts are urged to cooperate and ask their landowners to use water sparingly.

In the Upper St. Johns River Basin, where water control works are now under construction but not yet operational, the forecast can be termed "critical," Padrick said. "Last year was not a good one for that region," he stated. "But this year levels near Melbourne are a full foot below the stage one year ago. Even now District canals in St. Lucie County are at the point where irrigation supplies are getting difficult to obtain. If the situation gets any more dangerous, action must be taken to save the crops, proposed by the Army Corps of Engineers, Padrick said.

Third Annual Cross-Florida Bike Race Set For This Weekend

Forty-nine bicyclists will pass through Belle Glade this weekend in the Cross-Florida Tour bicycle race, including six entrants from the Army who are preparing for the Olympic Games in Mexico City in October, according to Bob Husky, race director and president of the West Palm Beach Recreation Bicycle Club.

The 240-mile tour will begin at the Ramada Inn at 6 a. m. on Saturday and end for the day in Fort Myers with a stop over in Clewiston. The racers should pass through Belle Glade between 7:30 a. m. and 8:30 a. m., said Husky.

Contestants on the Army team are: John Allen, former Princeton star, Edwin Torres, Tom Gentry, Joe Stagers, Neil King and Ray Matthews III. For the return trip the group will leave Fort Myers at 6 a. m. Sunday and arriving in Belle Glade between 7:30 or 10:30 a. m.

On this second leg of the race the cyclists will follow the route of highway 715 to Avenue E and finish at the Lake Shore High School. At 10 a. m. a church service is scheduled for the group in McDonald Park with the Reverend Henry Galloway officiating.

Wong Jones and Al Huber congratulate each other.

Jones Elected Jaycee State V. P.

Doug Jones, Belle Glade Jaycee, was elected state vice president this weekend at the Florida Jaycee National Meeting in Orlando. Jones is president of the 14th district Jaycee, which is headquartered in Belle Glade.

At this meeting the 14th district was voted the best in the state on a prize system and community development and leadership to athletics. As an example, the Palm Springs club's basketball team is scheduled to play the University of Miami's team in Miami this month.

Qualify For May Primary City Deals in Everything from fires to hand lotion

The monthly report of all the departments of the City of Belle Glade from March 1 to April 1, has been turned in to the city manager, Tavis Hughes. Following is a summary of each department's activities.

FIRE DEPARTMENT
The Fire Department reports eight more fires last year at the same time, with a total of 77 reported fires, resulting in \$11,750 more in estimated damage losses. One fire was determined suspicious.

The library added 72 books to its grand total of 1709. The total circulation was 1425, with more adult books than children's books in circulation.

WATER DEPARTMENT
82,498,000 gallons of water were pumped to the main line of the Water Department this past month. The employees were kept busy around the Water Plant repairing the fuses and gates; trimming the trees and working on the grounds; relocating pipe and fittings; moving pumps and meters; cleaning the shops; repairing and covering in the plant yard for underground electric service to meter room; and repairing a water main on 57 meters and cut off 50.

SEWAGE TREATMENT PLANT
The Sewage Treatment Plant reported a total flow of 15,343,000 gallons. They repaired two run over manholes at a cost of \$60.00, cleaned and repaired one lift station pump and pointed another, and performed other miscellaneous duties.

STREET DEPARTMENT
A busy street sweeper swept 287 miles this month, picking up 49 1/2 tons of debris. The department also worked on the Water Plant rebuilding drives, parking area, and storage area. They had a 2 1/2 ft. sidewalk and a concrete storage bin; constructed a 10 ft. retaining wall and a hand lotion dispenser in landscaping; and leveling the grounds. They also removed a tree, which was dangerous to traffic, at S. W. Sixth Street.

The police crew spent 1060 man hours cleaning debris, cutting weeds, cane and grass, and installing eight portable street marker signs and six traffic signs.

BUILDINGS AND GROUNDS DEPARTMENT
The Belle Glade Buildings and Grounds Department reported that the front doors of City Hall received two new doors and a hand lotion dispenser was installed in the lobby room. The life guard room at the municipal pool has a new shower and a hand lotion dispenser. The department also installed a new hand lotion dispenser in the lobby room. The department also installed a new hand lotion dispenser in the lobby room.

Market Report

The market was steady Monday except light calves were down 25c and light stocker and feeder type calves were up 5c. A total of 565 head were sold with 38 to slaughter and 475 to stockers.

Next Tuesday, April 16, we will have 50 pair of young cows and calves in all at the Okechobee Market, reports Pete Clements, Manager.

THE FISHING REPORT

Charles Corbin, Slim's Fish Camp, reports that the fish are still biting in the Belle Glade Area. The trem and shell-crackers are also reported to be coming on the beds, an event anxiously awaited by most fishermen.

Jane and George Ives, West Palm Beach reported near limit catches of specks on Saturday. They also brought in a nice string of shell-crackers on Saturday afternoon. The Ives went out for bass on Sunday and returned with a very nice stringer full.

Wallace Lutz and family, Belle Glade, reported near limit catches of specks on Saturday. Mr. Lutz was bass fishing on Friday and came in with 5 bass.

With the increase in shell-cracker fishing, the upcoming weekend is expected to produce more good fishing.

Revised School Calendar Makes Up Days Lost

A revised school calendar issued by County Superintendent Robert W. Fulton has established normal school days in place of the originally scheduled teacher planning days and other public holidays, to make up for days lost to students at the beginning of the recent teacher strike.

In circulating the revised calendar to all 91 principals, Mr. Fulton noted that crisis days, February 19, 20, 21, and 22, had all been declared emergency teacher planning days.

March 8, which was to have been a teacher planning day, according to the original 1967-68 school calendar, was changed to a normal school day to regain one of the four lost days for students.

The three other "lost" days for students will be made up April 15 (originally Easter Monday holiday), April 26 (originally a teacher planning day), and June 7 (originally a preschool day).

The last student attendance day will be June 7, compared with June 6 (scheduled on the original calendar).

The revised calendar provides for adjustments in school tendancies, smooths, six-week periods, and the last day of the contractual period for personnel.

Florida State Law requires all children of school age to be provided with 180 days of school.

Five Degrees Awarded Here In Demoloy

Five boys from Belle Glade went to West Palm Beach to receive their honorary and Demoloy degrees in the Herman Barnett class, on Saturday, March 23. In this class there were 69 boys receiving their degrees from provinces 6. The boys from Belle Glade were Howard Davis, Rhodi Brown, Randy Woodham, Lane Cunningham and Kenneth Ward.

Saturday afternoon March 23rd at three o'clock in Pahokee, there was a softball game between Jack W. Barnett Chapter and Lake Okechobee Chapter and Lake Okechobee Chapter won 9 to 5.

Players for Lake Okechobee Chapter: Bruce Wells, Earl Ballard, Stephen Clout, Charles Cline, Dominic Hillier, Mike Burkett, Mike Foster, Arthur Wells and Larry Williams.

Players for Jack W. Barnett Chapter: Curious, Tucker, Adams, Lammie, Maynor, Miller, Mason, McCarthy and Hudd.

Wednesday night March 27th Lake Okechobee Demoloy Chapter held a regular stated meeting with Senior Demoloy, Ray Lottin presiding as Master Councilor. After meeting was opened they had a discussion on the events and participation ending their 49th anniversary of International Demoloy Week. There were discussions on having another car wash sometime in April and the Province Softball game in West Palm Beach against Thomas A. Edison Chapter, Sunday, April 7 at two o'clock at Concession Junior High School.

Lake Okechobee Demoloy Chapter is now leading Province 6 in membership drive with 1445. Lake Okechobee Chapter has 36 new members since being reactivated in January of 1968.

Refreshments for the evening were served by Mrs. Mary Wilson, Mrs. Paul Anderson and Mrs. Robert Alderman.

Letter To The Editor

Freedom Is In Of Christ

On the fourth day of April, at approximately eight o'clock P. M., I was seated at the striking and shocking news of the death of the late Reverend Martin Luther King, Jr. It seemed as though many of us just then, as never before, realized what he was trying to accomplish. It was then that we realized what he had already achieved for the Negro.

Many of us have now found the reason for his fight, but somewhat a little too late for Dr. King himself, to know. Now we must prove to ourselves and other that we know his reasons by standing still and thinking for a moment.

There was another man who many years ago gave his life so that we might have wisdom, knowledge, and freedom in help to look to the hills, to the mountains, to the valleys and foremost of all to the tree of life. His name was Jesus Christ.

The late Dr. Martin Luther King Jr. may not be again, the great Abraham Lincoln may not rise again, the great President John F. Kennedy may not rise again, nor any of the many other wonderful men who in their original fight for freedom and peace. But there was one man who did it and rise again, his name is Jesus Christ. Those of us who now know him as our savior have found love, peace, freedom and contentment in the cause for which he fought and died.

So dear Christian friends, readers, and people all over the world, let us wake up and think about the freedom in the resurrection of Christ. Then one day we can really find wisdom in the production of the Holy Spirit, so glad that Jesus saved me.

You can then stand firmly: "I am the first, the last, I am the beginning and the end." Ada Willerton, Missionary Church of God by Faith

The injury we do and the one we suffer are not weighed in the same scales.

SENSING THE NEWS

By Thurman Sensing

Southern States Industrial Council

Though Communism has been a rotten force of more than 50 years, many people in free world countries still have not recognized its true nature or come to understand how to deal with it. This observation has special application to the events in Vietnam in the last couple of months.

In this period, the Viet Cong smashed into the cities of South Vietnam — even attacking the U. S. embassy in Saigon — and North Vietnamese units engaged in conventional war operations sustained by Soviet-built tanks. The toll of American casualties rose shockingly in this period.

As a result, the American people are more deeply disturbed than ever and in response of the U. S. public was assured that all was well. And in North Korea, the Soviet-orientated Communist regime has been threatening fresh war against the United States.

The trouble the U. S. faces in Vietnam is elsewhere seen from a related to recognize the nature of Communism. The Kennedy administration first brought the notion that the Soviet Union was mellowing. One wonders how that notion strikes the U. S. special forces who had to stand up against fire from Russia-built tanks in Vietnam. There was nothing "mellowing" about the Soviet Union.

Since the beginning of the Vietnam war, Secretary of Defense McNamara argued for only very limited pressure against the Communists. He consistently opposed each step-up

Letter To The Editor

Dear Sir: As a former member of the IAM and organizer in the UAW, the fact these two labor dynasties are viciously opposed to individual freedom in general and labor union is well known to me. The fact President Johnson is in league with the labor barons is known to all who witness our chief of state grandfathering before them in their convention.

The IAM was recently seized by the NLRB and its action petition withdrawn in defiance because of its actions against the employers. The Vietnam Veterans' Memorial is in the streets of Scranton, Pennsylvania, as the IAM tried to blackjack city officials into forcing all city garbage workers into paying dues to the IAM.

TO HOLD THEIR JOBS AND FEED THEIR FAMILIES! As one of the potential union leaders told me during the weeks prior to the Piper election—which the IAM lost for the third time by 2 to 1—I get these people two dollars more in their pay check, they get no right at all to ask where the rest of the dollar went. We'll handle that!

The real significance lies in the last sentence and you can bet your last dollar THAT'S TRUE.

in the air war, though he has been overruled from time to time. Because of Mr. McNamara's opposition, the U. S. has not blockaded the North Vietnamese port of Haiphong or the ports in Cambodia where the Reds also obtain supplies.

In recent weeks, American fighting men paid heavily for the failure to blockade Red supply ports. The Russian tanks surely weren't brought into Vietnam on jungle trails on the backs of coolies. They reached Vietnam via Communist ships that were allowed to pass

The question arises: how can America hope to win in Vietnam while the supply ports are unblockaded and the Red's privileged sanctuaries in Cambodia and elsewhere are immune from attack? How can American soldiers and Marines triumph in the field where they are not permitted to pursue the enemy to his bases in North Vietnam? The answer is that the U. S. can't win under the rules laid down by those who want to treat the Communists with kid gloves so that they will come to a conference table.

Years ago, Gen. Douglas MacArthur, who knew all about success over a determined enemy, said: "There is no substitute for victory." The Kennedy and Johnson administrations have substituted a single, unified, worldwide campaign against the American people and economic system.

With a witness war to contend with, American prestige throughout the world at its low ebb, with the American dollar in danger of deflation and our moral fiber so weak it is in shreds the future doesn't look very promising.

All the old values that sustained us over the years seem to have gone down the drain. Crime and juvenile delinquency run rampant, truth is a stranger than fiction, and usually turns out to be fiction. We no longer know who to believe or what to believe.

Clearly, it is time for a change in policy. Communism aims at the destruction of the United States. It is engaged in a single, unified, worldwide campaign against the American people and economic system.

It is not as if the United States, the strongest nation on earth, should be tied down by a four-rate power such as North Vietnam or be humiliated by a pipe-smoking nation such as North Korea. An administration in Washington.

At that time, Captain Johnson encountered intense anti-aircraft fire and sustained a direct hit before arriving at the intended target. Realizing the danger and complications of a rescue mission in the area should be kept in mind, Captain Johnson decided to continue his bomb run. Disregarding personal safety, he flew through extremely heavy defenses and placed his ordnance directly on target.

The captain earned the Air Medal for meritorious achievement while participating in aerial flight over Southeast Asia on Aug. 23, 1967. He was cited for his "professional skill and airmanship which were significant factors in furthering the goals of the United States in Southeast Asia."

Captain Johnson's other military decorations include the Distinguished Flying Cross and the Air Force Commendation Medal.

that was refused to carry the war to the enemy's doorstep and that accepts humiliating offenses by the Communists is an administration uncertainty of the electorate's support.

The U. S. certainly has the strength to win in Vietnam — indeed to triumph over Communism everywhere in the world. But the job can't be done by fighting with one hand behind one's back or by giving the enemy every break.

In World War II, the United States launched a powerful air offensive against the German cities. It aimed not only at hitting military targets but at smashing the Nazi will to

resist. No great fire raids have been ordered against Hamburg, Stuttgart and other German cities. It is no wonder, therefore, that North Vietnam still feels relatively immune for the American bombing is directed only against strategic targets and periodically is slowed down to encourage peace feelers.

Clearly, it is time for a change in policy. Communism aims at the destruction of the United States. It is engaged in a single, unified, worldwide campaign against the American people and economic system.

STILL THE HOPE OF THE WORLD

Too Late to Classify

By Russell Kirk
As we approach another Presidential election, and National Conventions are in the offing, we find ourselves more confused and less sure of ourselves than at any time in this country's history.

Most Americans realize that our nation is sick and in need of able, forceful leadership but when they consider the list of political aspirants who seek to lead us and are called upon to cast their vote for a Moses to lead us out of the wilderness the situation looks bleak.

With a witness war to contend with, American prestige throughout the world at its low ebb, with the American dollar in danger of deflation and our moral fiber so weak it is in shreds the future doesn't look very promising.

Why Did Jesus Have To Die?

By Lewis Livewright
Sentenced to die, though guilty of nothing, Jesus carried his cross up Calvary's hill, where "they crucified Him, and two others with Him of either side one, and Jesus in the midst."

Dying between two thieves, the Son of God was associated with sinners to the end. The only true accusation ever brought against Him — except for the fact that He declared He was the Son of God — was, "This man receiveth sinners."

Plato gave his judgment: "I find no fault in Him."

The centurion who commanded the executioners exclaimed, "Truly this man was the Son of God!"

Why did He come to earth, subjecting Himself to ridicule, scorn, hatred, and finally death at the hands of His enemies?

Plato gave his judgment: "I find no fault in Him."

The centurion who commanded the executioners exclaimed, "Truly this man was the Son of God!"

TO SPEAK AT ALLIANCE CHURCH

Rev. and Mrs. David A. Frazier and their children are back from Vietnam. They will tell of their work in the Mission field.

Rev. David Frazier, first pastor to the Belle Glade Alliance Church, has just returned from his second 4 year term in Vietnam for the Christian and Missionary Alliance Mission Board.

Rev. Frazier, while on his first furlough in 1963, married the former Jeanne Toner of W.P.B. They left for Vietnam, working with the Baha'ar tribal group. Plakia is about 100 miles north of Ban Me Thout where Mr. Leon Griffo and his daughter, Carolyn, of W.P.B. were killed in a Viet Cong attack in February. The fighting came within a few blocks of where the Fraziers lived. Plakia was attacked that same night. Rev. Frazier says it was like living in the eye of a hurricane. While fighting raged around them, their home was in a "cave" for which they thanked God. Their main mission in Vietnam was to establish churches in villages. However, because of the war, they were also active in medical and relief work.

St. Peter's Lutheran Church Holy Week Services

Holy Week began at Saint Peter's Lutheran Church on Palm Sunday with the Confirmation of Peggy Baughman and Jerry Kirchman following two years of instruction in the Catechism. The Sacrament of the Lord's Supper was also celebrated with the two confirmands partaking of the first Communion.

Holy Communion will again be administered on Maundy Thursday, April 11, as the Pastor and the men of the congregation will reenact the Last Supper for the fourth year. Following this drama, the remainder of the congregation will celebrate the Sacrament.

On Good Friday, services will be conducted at 8 p.m. at St. Peter's that will observe the death of our Savior.

An Easter Sunrise service at 6:00 a.m. will be held in the churchyard of St. Peter's Lutheran Church, followed by a breakfast service at 8:15 a.m. Sunday school and Bible class will be conducted at the regular time, 9:15 a.m. followed by Divine worship at 10:30 a.m.

The Kindergarten will observe both Good Friday and Easter Monday with holidays.

During the next 10 years operating expenses at St. Peter's Lutheran Church will amount to more than \$7 million, making a real contribution to the economy of the surrounding area.

The Resurrection

By Rev. Leland Edmunds
At the request of the Belle Glade Herald we will briefly present three practical, useful facts concerning the Resurrection of Christ.

1. He was and is the Savior of the World. He is able to save them unto the uttermost, all who come unto God by Him. Faith and acceptance are the tickets of admission.

The empty tomb of Christ is precious, precious because it contains nothing. The empty tomb of Christ has been correctly called "The Cradle of the Church." His resurrection is the coming proof of the Deity of Christ. He arose and has therefore the power to save.

2. He intercedes for us — "He ever liveth to make intercession for us." Live and our side-partner even if we take the wings of the morning and fly unto the uttermost parts of the earth; even when we are so heavy; even when we sin we have an advocate with the Father through Christ "And I, I am with you always, even unto the end of the world."

3. He arose — which guarantees our own resurrection and eternal life. "Because I live, ye shall live also. Live and believe in Me and never die. To be with Christ and live one forever is a far better thing than any one of us desire."

If you don't believe in the Resurrection read the Bible and you will find that the clouds of doubt, follow the footprints of Thomas—who finally came to the assurance of "My Lord and My God."

Southland Trio To Be Feature Of Monthly Sing

The monthly Community Hymn Sing held each month on the 3rd Saturday at the Belle Glade Alliance Church of God will be brought by the Rev. Babb Adams, who is conducting a revival all this week night at 7:30 p. m.

The Pastor Rev. Norman Powell extends an invitation to anyone wishing to attend. Rev. Powell also announced that the Lee Singers from Lake Harbor, Tennessee will be in Ft. Lauderdale on Thursday, April 11 at the Church of God there. The group is going to the Islands for a Singspiration on Easter Sunday.

During this week of April 8 through the 14, the members of the Church of God are having a week of Prayer and Consecration in their individual homes each night.

Lake Harbor Sermon Topic: April 14, 1968, Easter: "The Stone Rolled Away?"

Prayer is a sign of faith, an evidence of belief. To pray is not to be weak; it is to seek help from the source of strength. Prayer will not move mountains. We cannot expect a personal miracle in exchange for a small prayer. But we can find in prayer both strength and hope.

PAGEANT OF CROSSES

A program especially fitting to Easter Sunday will be presented at Community Methodist Church on Easter Sunday afternoon from 2:00-5:00 o'clock.

Fourteen different large crosses completely covered with flowers will be on display in the church parlor combining the glory of Easter and the beauty of nature.

Easter Cantata

The Chancel and Chapel Choirs of First Baptist Church will present an Easter Cantata "Hallelujah What A Saviour" Sunday night at 7 o'clock.

Sunday will mark the close of the Sunday School Education Campaign.

"The Sunday morning service will be brought by the Rev. Babb Adams, who is conducting a revival all this week night at 7:30 p. m.

Episcopal Services

Holy Week services continue at St. John the Apostle Episcopal Church with Maundy Thursday services at 6 P. M. with Holy Communion, Good Friday, The Liturgy at 12:15 noon and on Holy Saturday, The Liturgy at 6:30 P. M.

On Easter morning the service will be held at 6:30 A.M. with Holy Communion followed by a parish breakfast.

On Easter morning the service in Pahokee will be held at 10 A. M.

Inspiring Revival Closed Friday

First Baptist Church of Lake Harbor and the Community Methodist Church of Lake Harbor concluded their cooperative Week of Revival on Friday night.

It was an inspiring week of evangelistic services with message each evening being delivered by a prominent area minister. It was the first time that such a group of services were undertaken by the two churches, but the response was such that they will be repeated in other years.

The congregations of both churches wish to thank everyone that had a part in making the services so successful.

Maundy Thursday Communion

At 7:30 Thursday at Community Methodist Church the sacrament of Holy Communion will be celebrated on the anniversary of Christ's last meal with His Disciples. The membership class will be confirmed in this service and share in their first communion.

"Parable" The starting film "Parable" will be shown in the sanctuary of the Community Methodist Church at 8 p.m. on Good Friday. This film was produced for use at the New York World's Fair.

The entire film is a parable. In the context of a circus the film artist epitomizes the history of mankind and the individual man. The lifetime task of man is to put meaning into his life, to find the purpose of life. Often this is obscure. Hence, throughout the film mirrors will be used to symbolize man's search for meaning within himself. Each viewer will interpret the vivid characters and stirring music of the "Parable" in his own way. The agape of dialog intensifies the significance of the film's theme: The Man Who Dared To Be Different.

While children will not enjoy this film, youth and adults should find it thought-provoking and possibly disturbing! A short discussion will take place at the end of the film for those who wish to share their impressions with others.

Announcement was made of the Fellowship Mother-Daughter Barquet to be held Thursday, May 2 at Janssen Hall.

Mrs. J. A. Ponder was a guest. Ten members were present.

What is Easter

Easter is the greatest festival of the Christian church, and it commemorates the Resurrection of Jesus Christ. It is not always held on the same date. The church council of Nicea (A. D. 325) decided Easter should be celebrated on the first Sunday after the first full moon on or after the vernal equinox (March 21).

In many churches, Easter is preceded by a season of prayer and fasting called Lent. This is observed in memory of the forty days fast of Christ in the desert. In the Western church the Lenten season is from Ash Wednesday until the noon of Holy Saturday—the day before Easter. These six weeks and four days include forty fasting days, since Sundays aren't fast days. In the Eastern churches, Lent extends over eight weeks, and they don't observe Saturdays as fast days.

Ash Wednesday gets its name from the practice, mainly in the Roman Catholic church, of putting ashes on the foreheads of the faithful. This is to remind them that "man is dust" and that he must do penance. The second Sunday before Easter is Passion Sunday. The week following is now usually called Passion Week, although Passion Week originally meant the week before Easter. Palm Sunday, one week before Easter, celebrates the triumphant entry of Christ into Jerusalem. Holy Week begins on this day. Holy Thursday, or Maundy Thursday, is in memory of the Last Supper of Christ with his disciples. Good Friday commemorates the Crucifixion.

Many Easter customs come from the Old World. The white egg, the symbol of the Resurrection, is the special Easter flower. Colored eggs and rabbits have come from pagan antiquity as symbols of new life. The Easter Monday egg rolling on the lawn of the White House—a custom of European origin—is said to have been introduced in Washington by Dolley Madison.

Two Make All Conference

At a recent meeting of Suncoast Conference coaches, the 1967-68 All-Conference basketball teams were announced. Members of the Western Division All-Conference team were Queen Wilson and Steve Cline of the Belle Glade Rams. Queen, a senior, is being named All-Conference for the second year. He has been a starter for the Rams for three years. During these years he averaged 11, 14, and 15 points per game. He is one of the finest all-around ballplayers ever to play for Belle Glade. He hopes to continue playing basketball in college.

FHA State Convention

Last week, first Florida Home-Makers and their spouses, Mrs. Hazel Litchfield, attended their state convention in Jacksonville.

Sue Griffin, Alice Holbrook and Kathy Morris received their State FHA Degree. They were three out of twenty-five Florida girls who received this honor. To receive the state degree, one is required to do service projects, meeting certain standards and qualifications set by the state department. Each of these projects were to improve their skills and leadership.

A Poem from Viet Nam

"Take a man, thrust him into
Put him 12,000 miles from
Empty his heart of all but
Make him live in sweat and
This is the life I have to live
And why my soul to the devil
I give.
You 'mean boys' rant from your
You don't know what it's
Like 'lover here'.
Bitter a hell without near
While over here boys are
dying.

"You burn your draft cards,
march at dawn,
Plant your sign on the White
House lawn.
You all want to have the bomb.
'There's no real way,' you say,
to Vietnam."

"Use your drugs, and have
your fun,
And then refuse to lift a gun.
There's nothing sin for you
to do—
And I'm supposed to die for
you.
I'll hate you till the day I die.
You made me hear my buddy
cry.

"I saw his arm, a bloody
arm.
I heard them say, 'This one is
'dead'.
But who gives a price he had to pay
Not to live another day.
He had the guts to fight and
die.
He paid the price, but what'd
he buy?

"He bought YOUR life by
losing his.
But who gives a damn what a
soldier gives?
His wife does, and maybe his
dad.
But their about the only ones!
—A/Lc James F. Porsch

Steve, a sophomore, has been an important member of the team in his first year. He was the only sophomore to make the All-Conference team. He averaged 18 points per game against Conference competition and 16 overall. With two years remaining in high school, he would like to play basketball in college.

These two boys along with the other players, each equally important in his own way, brought Belle Glade one of its finest basketball teams. It finished 15-7 winning 10 out of its last 12 games and was second in the Suncoast Western Conference.

Senior Makes South All Stars

Senior Julio Perez will play for the South—All Star team at their annual game, August 2, in Gainesville, Florida.

The 215 pound Perez was selected by the south committee, and will be playing with 25 other boys from various schools south of Tampa. Nick Kotory, head coach at Coral Gables High School will have as head coach for the south team in the annual game.

The game had its beginning in 1949, and for several years is alternated between Miami

President of the Week

Sam Strahan, the son of Rev. and Mrs. C. L. Strahan, was born in Florida, Illinois. Sam lives with his parents in South Bay and his future plans are undecided after his graduation in June. Sam is an active member of Beta Club, and the D. C. T. Club. His favorite activities are enjoying his job, and working on his car.

Sam Strahan was elected state president of the Cooperative Education Club of Florida on March 30. When asked what he thought about it, he said, "A lot of credit must go to the Belle Glade High D. C. T. cause they worked real hard for me to win."

Little Miss Belle Glade

The Little Miss and Mr. Belle Glade contest will be held on May 2 in the Belle Glade High School Auditorium at 7:00 P. M. A \$2.00 registration fee is required of all children. This fee may be paid between April 16 through the 25th in the High School Home Ec. sewing lab.

All entries must be 18 months to 6 years of age and not enrolled in public schools. Children in Bean City, South Bay and Belle Glade are eligible for the contest.

Pros and Cons of Required P. E.

By DICK HOOKER

Football, baseball, a chance for relaxation, tennis, basketball, introduction to different sports, tumbling, soccer, a path through which we gain new friends. All of these are aspects of physical education. There are many reasons why physical education should be required for all three years of high school. The first and main reason is the physical fitness attained through a good physical education program. What good is a man or woman, no matter how intelligent, if he or she is unphysically fit? A good mind needs a good body. For some people, the only chance for brisk physical activity is through a physical education program. The high school years are the years during which our growth and development are at their peak. If we neglect our bodies, and pay attention only to our minds, what will be the result in twenty or thirty years?

Alfred anyone would agree that we feel better if we have some sort of activity each day in which there is exercise. We eat better, breathe better, think clearer, and have greater stamina through physical activity. It is only natural, then, that physical education would definitely be best for our bodies.

It is true that students are sometimes uncomfortable in physical education due to certain circumstances. However, this would be better for someone to go through life not facing up to their problems or would it be better to quickly get over them?

Physical education allows students a chance to relieve a little tension they gain from studying all day, as well as a chance for exercise. For these reasons, plus the gain in health, physical education should be required of all high school students.

Now then do I hear any nonbelievers for girls to take P.E. all 3 years? How about a boy?

Everyone's always hollering stay in shape you need to exercise to be in good health. There is nothing that makes you feel any healthier than running laps around the football field until you faint.

When a boy thinks of a girl he sees a soft, sweet, feminine thing that looks and smells like a bunch of daisies just picked from the fields. Yes, there is nothing sweeter looking or smelling than a girl out of P.E. class with wet stringy hair, unwarmed make-up and the odor of the leading deodorant on the market.

Now then do I hear any nonbelievers for girls to take P.E. all 3 years? How about a boy?

American Legion Post 20 Elects Officers For Year

At its regular meeting on April 2 the local Everglades Post 20 of the American Legion elected officers for the ensuing year.

With 42 members present, the past re-elected Herbert Bustin as Commander. Other officers elected were Floyd Ashley, 1st Vice Commander, Mary Frank, 2nd Vice Commander and Frank Pierce, 3rd Vice Commander. Floyd Smith, Finance Officer, Roscoe Legg, Chaplain, Lawrence E. Will, Treasurer and Henry Hoyer, Sergeant at Arms.

Members of the Executive Committee for a one year term will be Tom Parham and Guy Wilson, for a two year term, Kenneth Lambert and Neal Livingston and for a three year term Lee Crawford.

This post is now organizing and sponsoring a Junior Baseball Team. It has appropriated \$1000 for uniforms and equipment and is now soliciting additional funds for other necessary expenses.

Post 20 has recently been awarded a plaque from state

Civilians Play Host To Coastal Clubs

Representatives from five Civilian Clubs from Southwest Florida were hosted by the Belle Glade Civilian Club in an inter-club meeting at the Belle Glade Country Club last Friday, April 5.

Florida Livestock

Commercial production of red meat in the 48 States during February 1968, was 2,721 million pounds, up 3 percent from a year earlier, but 11 percent below the previous month.

Commercial "veal" production includes slaughter in federally inspected and other commercial plants, but excludes animals slaughtered on farms or ranches.

Of the 2,721 million pounds of red meat produced in February, 1,633 million pounds were beef, up 6 percent from a year earlier; 54 million were veal, down 8 percent; 896 million were pork, up 1 percent; 48 million pounds were lamb and mutton, down 16 percent.

New Bill Concerns Florida Fruit And Vegetable Trade

At the request of the Florida Fruit & Vegetable Association and on behalf of commodity groups adversely affected by foreign competition, Florida Congressmen A. Sydney Herlong, Jr. and Paul Rogers have introduced a bill into Congress entitled "The Fresh Fruit and Vegetable Market Sharing Act of 1968."

A dinner of cutfish and hushpuppies served with fresh corn and other vegetables preceded a talk on the first professional in the Glades by Lawrence Will, cracker historian of the area. Centering his talk around a husband and wife medical doctor team who provided medical services to the residents around Lake Okechobee and to some of the Seminole Indians, Will related many instances of travel difficulties

around the lake. He told of the plans for some of the Glades cities which took 40 years to realize completion.

The bill would require the President to negotiate with other governments to limit imports each year to not more than the share of the U.S. consumption of such commodities shipped by imports thereof during a representative historical period of not less than the average of any two consecutive years prior to the calendar year of 1967.

Failing to reach agreement on such matters as to develop and a disaster provision further protects the public by permitting the President of proclamation to increase the quota by an amount not exceeding the quantity of the domestic supply, as certified by the Secretary of Agriculture.

A growth factor also is provided to give the foreign producer a fair share of the American market as to develop and a disaster provision further protects the public by permitting the President of proclamation to increase the quota by an amount not exceeding the quantity of the domestic supply, as certified by the Secretary of Agriculture.

New Directory Being Delivered

The new telephone directory for Belle Glade - Palmetto and surrounding areas is being delivered by mail this week.

Delivery of the new directory should be completed by

not later than April 12th, which is the effective date of the directory. Charles Leonard, local Southern Bell manager, asks anyone who doesn't receive his directory by April 12th, to call the business office, 996-9011, and let the Service Representative who handles his account know.

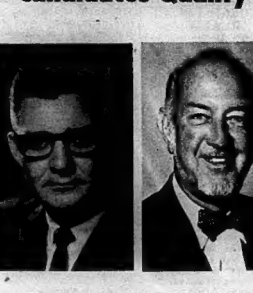

"We want to be sure all our customers get their new directories as soon as possible. Anyone who doesn't receive a directory by April 12th can help us to accomplish this by letting us know," Leonard said.

A quick check of this year's directory indicates continuing progress in the Glades. This year, 10,085 directories will be distributed, compared to 9350 distributed last year.

Leonard asks that customers please throw away their old directories on April 12th and use the new ones only. That way, there's no chance of getting wrong numbers from the old directories.

"Also," Leonard said, "please check the directory for numbers you want before calling. This will save you time and inconvenience and help you get the best service. Remember, all new numbers listed during the past year will now be found in the new directory."
